VERANDAH

PART OF OUR
OUTDOOR LIVING RANGE
COLLECTION

THE VERANDAH SYSTEM

Our fully bespoke Verandah solution, part of our Outdoor Living range, can be used to create a stunning, contemporary patio area allowing homeowners to enjoy their garden all year round.

It can also be used on driveways as a car port or anywhere else outside where the homeowner needs protection from outdoor elements.

Available in any colour, the Verandah is a must have product for anyone wanting to enjoy their outdoor space throughout the year.

> **“It is hard to deny that the Verandah has genuine appeal. It is perhaps the best looking glazed canopy solution on the market right now.”**

VERANDAH IN COLOUR

The Verandah is now available in any RAL colour allowing homeowners to add a splash of colour to their outdoor living space.

The Verandah is now available in any colour to bring any garden space to life. This allows for the Verandah to have further appeal for more commercial applications including bars, restaurants and even hospitals and schools where colours can be matched to brands and corporate identity.

Popular colours include dark green, grey and blue yet regardless of colour, are all fully guaranteed for 10 years.

The Verandah is ideal for walkways, entrance ways and outdoor eating areas where shelter from outdoor elements is required. Every Verandah is bespoke and can be tailored to fit your specific needs.
